

About Us

Why are we here?

Food on the Table a 100% profit for purpose venue and functions/meetings space, providing food, support, and training opportunities for marginalised groups, including those experiencing homelessness. All profits generated service our mission. Our core vision for our humble venue is to be a place that in some way provides hope, support, love and inspiration to our community.

How we help

Our model is a little different from most venues, with our 100% 'not for profit' business model redefining "pay it forward", in order to support those less fortunate in our community. We operate a Soup Kitchen from the cafe which delivers tens of thousands of meals directly out to those in the community who are struggling for their next meal, and supply these meals to several fabulous charitable organisations, including Hutt St Centre, Baptist Care, Puddle Jumpers, Vinnies and the Salvos just to name a few.

By having your function at our venue you directly help us to provide people in need with meals, as well as support our work in providing them with hospitality training opportunities, with a view to helping people find employment, across all aspects of Hospitality (think customer service/barista/food handling and food prep/cash handling etc).

What we offer

Our beautiful Grand Hall is available by arrangement for your next big function! We offer a complete catering service (including liquor license) for both events held here or elsewhere. We can offer our entire venue - The Grand Hall, including a stage, serviced bar, plenty of on-site car parks and can host up to 300 people in total. All functions are supported by all the necessary equipment, including TV/AV, a whiteboard, sound and printing facilities.
