Cafe Outside the Square is a 100% profit for purpose community space and functions/meetings space, providing food, support, and training opportunities for marginalised groups, including those experiencing homelessness. All profits generated service our mission. Our core vision for our humble venue is to be a place that in some way provides hope, support, love and inspiration to our community.

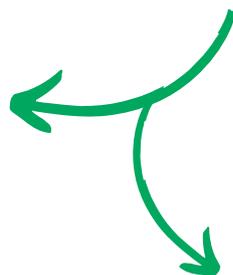

**Soup&Sleep is Cafe Outside the Square's major annual fundraising activity to help us in our mission to make sure that "No One Goes Hungry!"**

On the night of our fundraiser, Thursday June 8th 2023, we will all gather together at our awesome new home at 2 Chief St Hindmarsh and we will be cooking up a storm to feed those in need (with the help of some iconic local chefs), entertained (by some fabulous celebrity entertainers), and most importantly hear from people sharing their own often confronting stories, about just how hard life can be at times for many in the community, not as fortunate as you or I. To finish the night we'll be sleeping rough ourselves, sleeping on just a piece of cardboard under the stars in the car park. A humbling experience, though of course we all then get to go home to our own beds the next night.

All proceeds raised on the night go directly towards feeding and supporting those who are doing it tough right now, and cannot afford a fresh and healthy meal, and towards providing training opportunities to help others help themselves.

You can support Soup&Sleep by either:

- making a fully tax deductible donation or
- registering to participate and join us on the night, raising money through your own community sponsoring you to sleep rough for the night

# Our Impact

We are proud of the ever-increasing numbers of meals we are providing to people doing it tough in the community. In 2022, we made and distributed over 50,000 meals! This goes to show not only how big a demand there is for food support from those doing it tough, but also how collectively we've been able to make a significant difference and help fill this gap. Over the next 12 months, we aim to be supplying well over 100,000 meals.

Additionally, we now have a steady flow of hospitality trainees coming through our doors – our team are providing great training/leadership and mentoring for a range of people who are not finding life so easy right now. The feedback we have received on the difference it has made to some of these people has been truly heart-warming.

We are thrilled to be gradually building such a wonderful supportive community made up of so many different stakeholders in what we do, including our customers, staff, board, volunteers, trainees, suppliers, supporters, donors, schools, corporates, locals... and more!

Our vision is to be a thriving and vibrant hub that provides both hope and support to people in need, so we thank you all for your support in helping us to get this far! We would be really grateful for your participation in our next Soup&Sleep event, so that we can continue to ramp up our efforts to make a difference, in our mission to ensure **"No One Goes Hungry!"**
